

## INNOVAGRO

# Development of an innovative network for the promotion of extroversions of agro-food companies in Adriatic - Ionian Area

This project is supported by the Interreg ADRION Programme funded under the European Regional Development Fund and IPA II fund.

INNOVAGRO project focuses on the development of links and synergies between farmers, agro-food enterprises, Research Institutes and Public Authorities, for the promotion of agro-food products' extroversions, the development of agro-food companies' internalization, and the promotion of environmentally – friendly farming practices.
