OPEN INVITATION FOR REGISTRATION IN INNOVAGRO e-platform

INNOVARGO Project focuses on the development of links and synergies between farmers, agro-food & tourism enterprises, Research Institutes and Public Authorities in Adriatic – Ionian Area for:

- the introduction of innovation into agro-food SMEs'
- the enhancement of agro-food companies' internalization
- the promotion of environmentally-friendly farming practices
- the reinforcement of the links among agro-food & tourism sector.

Detailed information about the objectives and the activities of the project you can find in the project's website: <https://innovagro.adrioninterreg.eu>, or contact the responsible person in our institute (Mr. Attolico Alessandro e-mail: Innovagro@provinciapotenza.it, phone:+39/335216266).

To this end, one of the main outputs of the Project is the already developed **Virtual Transnational Business Innovation & Entrepreneurship Center (ViBIEC)**.

Virtual Transnational Business Innovation & Entrepreneurship Center is an e-platform where services to SMEs acting in the agrofood & tourism sector are provided in order to promote their innovation and internalization capacity.

The Province of Potenza, as Partner of **INNOVAGRO** project, invites the interested SMEs acting in the agrofood & tourism sector to e-register in the ViBIEC platform in the following link:

<https://innovagro.green-projects.com.gr/register>

A detailed users' manual describing the registration/login process is also available in the previous link.

For additional information or in case of difficulties during registration, please use the contact form of the ViBIEC platform:
